

Parent/Carers coming to Autism SA Sites

1.

If you are a parent or carer coming to an Autism SA site, please wear a face mask.

2.

If you do not have a face mask, you will be given a mask that you can wear when on site.

3.

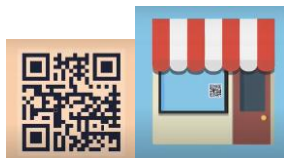

If you find it very difficult to wear a mask because you can't breathe, communicate, or have a medical, disability or health reason, you do not have to wear a mask.

4.

You will be asked to sanitise your hands.

5.

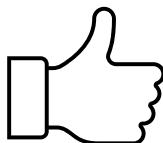

You will need to check in by scanning a QR code. If you cannot scan in, you will be asked to fill in a form.

6.

You will then need to complete an Autism SA Health Screen Form.

7.

You will then be able to access services.
